Instructions

CRS Individual Self-Certification

Please read these instructions before completing this form

Why are we asking you to complete this form?

To help protect the integrity of tax systems, governments around the world are introducing a new information-gathering and reporting requirement for financial institutions. This is known as the Common Reporting Standard (CRS).

To implement the CRS locally, the Government of India joined the Multilateral Competent Authority Agreement (MCAA) on Automatic Exchange of Financial Account Information on 3 June 2015 and notified the Rules under the Income Tax Rules, 1962 to this effect on 7 August 2015.

Under the CRS, we are required to determine where you are 'tax resident' (this will usually be where you are liable to pay income taxes). If you are a tax resident outside India, we will need to provide this information to the Indian Income Tax Authorities along with information relating to your accounts. The same may then be shared between different tax authorities of Countries/Jurisdictions.

Completing this form will ensure that we hold accurate and up-to-date information about your tax residency.

If your circumstances change and any of the information provided in this form becomes incorrect, please let us know immediately and provide an updated self-certification.

Who should complete the CRS Individual Self-Certification Form?

HSBC Personal Banking customers or sole traders should complete this form.

If you need to self-certify on behalf of an entity (which includes businesses, trusts and partnerships), you must complete an 'Entity Self-Certification Form' (CRS-E). Similarly, if you are a controlling person of an, 1) Passive Non-Financial entity or 2) Investment entity managed by another financial institution, you must complete a 'Controlling Person Self-Certification Form' (CRS-CP). You can find these forms at www.crs.hsbc.com. For joint accountholders, each individual will need to complete a copy of the form.

Even if you have already provided information in relation to the United States Government's Foreign Account Tax Compliance Act (FATCA), you may still need to provide additional information for the CRS as this is a separate requirement under the local regulation.

If you are completing this form on behalf of someone else, please ensure that you let them know that you have done so and tell us in what capacity you are signing in Part 3. For example, you might be completing this form as a custodian or nominee of an account, under a Power of Attorney or as a legal guardian on behalf of an accountholder who is a minor.

Appendix – Definitions

Note: These are selected definitions provided to assist you with the completion of this form. Further details can be found within the Income Tax Rules, 1961 and OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS), the associated Commentary to the CRS, and domestic guidance. This can be found at the following link www.oecd.org/tax/automatic-exchange/. If you have any questions then please contact your tax adviser or domestic tax authority.

Accountholder – The term ‘accountholder’ means the person listed or identified as the holder of a Financial Account by the financial institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the accountholder. In these circumstances that other person is the accountholder. For example, in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the accountholder. With respect to a jointly held account, each joint holder is treated as an accountholder.

Controlling Person – This is a natural person who exercises control over an entity and includes a beneficial owner as determined under sub-rule (3) of rule 9 of the Prevention of Money-Laundering (Maintenance of Records) Rules, 2005.

In determining the beneficial owner, the procedure specified in the following circular as amended from time to time shall be applied, namely:

- (i) DBOD.AML.BC. No.71/14.01.001/2012-13, issued on 18 January 2013 by the Reserve Bank of India; or
- (ii) CIR/MIRSD/2/2013, issued on 24 January 2013 by the Securities and Exchange Board of India; or
- (iii) IRDA/SDD/GDL/CIR/019/02/2013, issued on 4 February 2013 by the Insurance Regulatory and Development Authority.

In the case of a trust, the controlling person means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, the said expression means the person in equivalent or similar position.

Where an entity accountholder is treated as a Passive Non-Financial Entity (NFE) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. If the account is maintained for an entity of which the individual is a Controlling Person, then the ‘Controlling Person tax residency self-certification’ form should be completed instead of this form.

Entity – The term ‘Entity’ means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

Financial Account – A ‘Financial Account’ is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and Debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

Reportable Account – The term ‘Reportable Account’ means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person (relevant extract for CRS).

Reportable Jurisdiction – A ‘Reportable Jurisdiction’ is a jurisdiction with which an obligation to provide financial account information is in place.

Reportable Person

Reportable person means,

- (a) one or more persons other than,
 - (i) a corporation, the stock of which is regularly traded on one or more established securities markets;
 - (ii) any corporation that is a related entity of a corporation mentioned in item (i);
 - (iii) a Governmental entity;
 - (iv) an International organisation;
 - (v) a Central bank; or
 - (vi) a financial institution,

that is a resident of any Country/Jurisdiction or territory outside India (except the United States of America) under the tax laws of such Country/Jurisdiction or territory or an estate of a decedent who was a resident of any Country/Jurisdiction or territory outside India (except the United States of America) under the tax laws of such Country/Jurisdiction or territory; (relevant extract for CRS).

Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

TIN (including functional equivalent) – The term TIN means Taxpayer Identification Number assigned to a person in the Country/Jurisdiction or territory in which he is resident for tax purposes and includes a functional equivalent in case no such number is assigned. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link: www.oecd.org/tax/automatic-exchange/.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a functional equivalent). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
